BY

UNIQUE BUSINESS CARD

EST. 2014

A business card reflects the personality of the person whose name it's wearing. We focus on the essential. More exclusivity, more aesthetics. Guaranteed stylish. With a metal business card from us you are guaranteed to leave a lasting impression on your customers and business partners. The only thing missing now? Your own card in your hand. Convince yourself of our products on our website.

## About us

Our goal: To offer exceptional people the best individualized products imaginable. At the same time, our production in Germany ensures the high quality standards that we set ourselves both for our design solutions and for our handmade products.
